St. Paul, MN 55101

RE: NOTICE OF RECEIPT OF THIRTEENTH DOE SETTLEMENT PAYMENT AND  
REFUND PLAN  
DOCKET Nos. E002/GR-92-1185, G002/GR-92-1186, E002/M-20-743,  
E002/M-21-815 AND E,G002/M-22-254

Dear Mr. Wolf:

Northern States Power Company, doing business as Xcel Energy, submits to the Minnesota Public Utilities Commission (Commission) notification for the receipt of the thirteenth payment from the United States Department of Energy (DOE) and customer Refund Plan.

The Commission has issued two Orders in Dockets Nos. E002/M-21-815,<sup>1</sup> E002/M-20-743,<sup>2</sup> E,G002/M-22-254, E002/GR-92-1185, and G002/GR-92-1186<sup>3</sup> guiding the disposition of the thirteenth DOE settlement payment which are detailed below. We provide the following information to facilitate the Minnesota Department of Commerce's review and feedback on our proposed Refund Plan. Pursuant to Order Point 4 of the Commission's April 20, 2022 Order in Docket No. E002/M-21-815, if the Department does not object to the Company's proposed Refund Plan by February 21, 2023,<sup>4</sup> the Company will proceed with issuing the refund to our customers.

---

<sup>1</sup> IN THE MATTER OF THE PETITION FOR APPROVAL OF A CREDIT MECHANISM TO RETURN TO CUSTOMERS DEPARTMENT OF ENERGY SETTLEMENT PAYMENTS

<sup>2</sup> IN THE MATTER OF NORTHERN STATES POWER COMPANY, DBA XCEL ENERGY, 2021 PROPERTY TAX TRUE-UP AND COMBINED REFUND PLAN

<sup>3</sup> IN THE MATTER OF NORTHERN STATES POWER COMPANY, DBA XCEL ENERGY, ANNUAL INCENTIVE COMPENSATION PLAN includes Docket Nos. E,G002/M-22-254, E002/GR-92-1185, and G002/GR-92-1186

<sup>4</sup> 35 days after this filing.

On January 3, 2023, the thirteenth DOE settlement payment was received in the amount of \$25,303,536.91 for the period January 1, 2021 to December 31, 2021. The allocation to our Minnesota electric customers is \$18,413,280; this amount will be returned to our Minnesota electric customers.

The Company has placed these funds into a separate external interest-bearing account and will include the interest minus bank fees, in calculating the estimated amount of the proposed credit to customers. Consistent with the Commission's Order on November 2, 2022 in Docket Nos. E002/M-20-743, E,G002/M-22-254, E002/GR-92-1185, and G002/GR-92-1186 (the November 2022 Order), the Company will return the thirteenth DOE settlement payment to our Minnesota electric customers in combination with the 2021 property tax and incentive compensation refunds.

## **I. History of the Case and Background**

### **A. 2011 Settlement**

Under the Nuclear Waste Policy Act, utilities such as Xcel Energy were required to enter into contracts for the disposal of spent nuclear fuel; utilities contributed \$1.0 million for every kilowatt-hour of electricity generated by their nuclear power plants. In exchange, the DOE committed to transport and dispose of the spent nuclear fuel beginning no later than January 31, 1998. However, the DOE has not accepted any spent nuclear fuel to date.

In 1998, the Company filed the first of two lawsuits against the DOE seeking to recover damages associated with storage of spent nuclear fuel at our Prairie Island and Monticello nuclear generating plants. The Company's claims were for partial breach of the Standard Contract for Disposal of Spent Nuclear Fuel for failing to take title to, transport, and dispose of spent nuclear fuel beginning no later than January 31, 1998. The first lawsuit sought damages through 2004; the second sought damages through 2008.

The Company reached a settlement with the U.S. Government on these lawsuits on July 7, 2011. The settlement provided a mechanism for the Company to recover its spent nuclear fuel storage damages through December 31, 2013. On August 5, 2011, the Company filed a petition for approval of a credit mechanism to return the settlement amounts to customers in Docket E002/M-11-807.

## **B. Extended Settlement Agreement**

The Company and the Government reached an agreement on January 24, 2014, to extend the 2011 settlement agreement for the recovery of spent fuel storage damages for the three-year period of 2014 through 2016. On December 1, 2014, the Company submitted a compliance filing in Docket No. E-002/M-11-807, which notified the Commission of this extension and that any future payment amounts would be based on the submission of damage claims and subsequent negotiations between the parties.

## **C. Second Extension of Settlement Agreement**

On February 23, 2017, the Company and the U.S. Government agreed to extend the settlement another three years to allow for recovery of damages through December 31, 2019 (Payments 9, 10, and 11).

## **D. Third Extension of Settlement Agreement**

On August 24, 2020, the Company and the U.S. Government again agreed to extend the settlement an additional three years to allow for the recovery of damages through December 31, 2022 (Payments 12, 13, 14). The twelfth payment was received on October 27, 2021.

The thirteenth DOE payment in the amount of \$25,303,536.91 was received on January 3, 2023. Attachment A is a copy of the ACH payment confirming the amount received and has been redacted to remove Company-sensitive banking information. Attachment B provides a derivation of the Minnesota jurisdictional portion of \$18,413,280, along with the estimated credit by customer class. This payment was placed into a segregated bank account established specifically and solely for the settlement proceeds similar to the Company's treatment of the previous proceeds under the 2011 settlement agreement and extended settlement. Attachment C provides a summary of the Minnesota jurisdictional portion of all of the DOE payments received to date.

## **II. Credit Mechanism and Plan**

### **A. Commission Orders**

The Commission's April 20, 2022 Order in E002/M-21-815 stipulated the process to return future Settlement payments to customers:

4. *Required Xcel, for the 2022 settlement payment and all subsequent DOE settlements, to file its refund plan within 35 days of the receipt of the DOE Settlement. If the Minnesota Department of Commerce (Department) does not make an objection within 35 days of the filing of the plan, Xcel shall proceed with the refund as outlined in the plan. If the refund is not issued within six months of receipt of the funds, interest will increase to the prime rate as defined in Minn. R. 7825.2400, subp. 16, after that six-month period. Within 35 days of the refund completion, the company shall make a compliance filing noting the completion and detailing the final refund amounts.*

Additionally, in the November 2022 Order, the Commission approved combining the thirteenth DOE settlement payment with the planned customer refund for the 2021 property tax and incentive compensation customer refund:

8. *Approved Xcel's proposed plan to combine the 2021 property tax and incentive refunds with the anticipated thirteenth Department of Energy settlement payment refund.*

### **B. Credit Plan and Implementation**

Consistent with the November 2022 Order, the Company will return the thirteenth DOE settlement payment to our Minnesota electric customers in combination with the 2021 property tax and incentive compensation refunds.

#### **1. Allocation to Customer Classes**

In the 2021 Property Tax True Up Docket,<sup>5</sup> we proposed a combined credit to Minnesota electric customers where the refund amounts for property tax and incentive compensation would first be allocated to class, with each class's allocation combined to determine a separate credit factor for each class. Likewise, we would first allocate the DOE funds to class. Once the credit amounts have been allocated to each customer class, a credit factor will be calculated for each customer class based on the 2021 actual kWh usage. The appropriate credit factor will then be applied to customers' 2021 actual kWh usage to determine the actual credit amount for each customer. Please see Attachment D for an update to the combined refund

---

<sup>5</sup> Docket No. E002/M-20-743, 2021 PROPERTY TAX TRUE-UP REPORT AND COMBINED REFUND PLAN, June 30, 2022.

information provided in our August 8, 2022 Reply Comments in the property tax and incentive compensation proceedings<sup>6</sup> that includes the estimated average refund per customer by customer class. The interest amounts for the property tax and incentive compensation refunds included in Attachment D have been adjusted for the passage of time.

## **2. Proposed Bill Message**

We propose the following bill message be included on customer's bills and will work with the Commission's Consumer Affairs Office to finalize the message:

*Your bill this month includes a refund due to lower actual property tax owed by Xcel Energy and lower employee incentive compensation for 2021 and a settlement regarding nuclear fuel storage per the MN Public Utilities Commission. Your refund appears on your bill as "Elec Combined Refund CR".*

The combined refund would appear as a single line item on customers' billing statements. Each customers' credit will be based on their 2021 calendar-year kWh usage—those customers that have 2021 energy usage but who are no longer active at the time we implement the refund and who have a balance of \$2 or more will receive a check.

## **3. Interest**

The Company has placed the funds from the thirteenth DOE settlement payment in a separate interest-bearing account to protect both customers and the Company and to ensure the funds are accurately accounted for pending the actual bill credit. The Company explained in its January 5, 2023 Compliance Filing in Docket Number E002/M-21-815 that, pursuant to Order Point 3 of the Commission's April 20, 2022 ORDER, based on the current balance in the DOE account which is between \$0 and \$50 million, the Company would use the highest interest rate quoted, 3.83%, when issuing the thirteenth DOE settlement payment to customers.

At the time of implementation, the DOE credit amount would include the actual interest earned in the external account, minus any bank fees or charges on these funds, consistent with the previous one-time DOE settlement credits.

---

<sup>6</sup> Docket Nos. E002/M-20-743, E,G002/M-22-254, E002/GR-92-1185, and G002/GR-92-1186, REPLY COMMENTS, August 8, 2022, see Attachment G.

#### **4. *Implementation and Compliance Filings***

Assuming the Department does not object to our Refund Plan, we will begin implementation of the one-time bill credit, including a bill message, based on the customers' 2021 usage, in the first quarter of 2023. The Company will submit a compliance filing within 30 days after completion of this bill credit, providing a summary of the final credit amounts, interest, class allocations and the actual average customer credit per customer class as was done with previous DOE settlement payments, property tax and incentive compensation refunds.

We have electronically filed this document with the Minnesota Public Utilities Commission, and copies have been served on the parties on the attached service lists. Please contact Carl Cronin at [carl.cronin@xcelenergy.com](mailto:carl.cronin@xcelenergy.com) or (612) 215-4669 or me at [gail.a.baranko@xcelenergy.com](mailto:gail.a.baranko@xcelenergy.com) or (612) 330-6935 if you have any questions regarding this filing.

Sincerely,

/s/

GAIL A. BARANKO
