Dear Mr. Seuffert:

Northern States Power Company, doing business as Xcel Energy, submits to the Minnesota Public Utilities Commission (Commission) this Compliance Filing in accordance with Order Point 15 of the Commission's November 26, 2024 Order in the above-referenced dockets. Specifically, Order Point 15 states:

15. *Xcel must make a compliance filing within 10 days of the date of this order demonstrating that the Company's refund recalculations reflect the changes approved herein.*

For the electric utility portion, we provide in Attachments A through D updated interest calculations for the property tax, incentive compensation, capital, and net operating loss (NOL) true-ups, respectively. The interest calculations have been updated to use the average monthly prime rate through the month immediately preceding the billing cycle in which the Company issues the refund, as required by the Commission Order. The Company expects to begin crediting the refund to customers in mid-December. Attachment E shows the Sherco land sale refund. Attachment F shows the fifteenth settlement payment from the United States Department of

Energy, fully described in Docket No. E002/M-24-372. Attachment G summarizes the combined electric refund.

The Order did not require changes to the gas utility property tax deferrals or incentive compensation refunds, and the net deferral will be implemented as filed July 1, 2024.

We have electronically filed this document with the Minnesota Public Utilities Commission, and copies have been served on the parties on the attached service lists. Please contact Pamela Gibbs at pamela.k.gibbs@xcelenergy.com or me at amber.r.hedlund@xcelenergy.com if you have any questions regarding this filing.

Sincerely,

/s/
